CTA meeting 2009

## Conference dinner

The conference dinner takes place at restaurant **Uto Staffel** on top of **Uetliberg**, which on a fine day offers wonderful views of the city and the lake. We will leave **right after the end of the parallel sessions** on Tuesday evening. A private **tram** will take us from the meeting venue to the foots of the Uetliberg, passing Zurich's major **sightseeing sights** along the way. Next is a **short train ride** up the hill, followed by an easy **20 min walk** to the restaurant. At the restaurant, we will have a **welcome drink** followed by a **three-course menu**. Transfer back to your hotel is on an individual basis (we provide tickets for public transport).
